

**RECOMMENDATION OF TRANSFER COMMITTEE FOR ANNUAL GENERAL TRANSFER FOR
THE TRANSFER YEAR 2025 IN RESPECT GROUP C OFFICIAL UPTO THE CADRE OF
ASSISTANT, GUJARAT REGION**

The Transfer Committee AGT 2025, comprising of following members, was constituted by the Competent Authority at the level of Regional Office for recommending the transfer of Group-C officials upto the cadre of Assistant in Gujarat Region as per Intra Region Transfer Policy issued by Hqrs vide letter No.A-33/19/2/TransferPolicy/2022-E.II dated 10.01.2025.

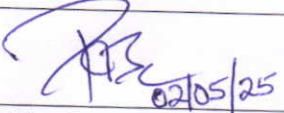

1. Shri Vivek Awasthi, DD – Chairman
2. Shri Paresh Acharya, SMO – Member
3. Shri Sanjeev Kumar Singh, DD – Member Secretary

The Transfer Committee meeting was convened on multiple occasions for considering the Tenure Completion Transfer / Request transfer in r/o officials in the cadre of Assistant, UDC, LDC and MTS in Gujarat Region. The committee after discussion decided the following criteria for recommending the posting of officials.

1. As per clause 3.6, 4 read with 5 of Transfer Policy, all the officials who have completed maximum tenure of 10 years at station (RO/SRO/Hospital) and 5 years at Office (RO/Hospital) along with Request Transfer received through online portal have been considered for transfer.
2. As per clause 4.2, officials who have been working for more than 3 years on sensitive post (at B.O. under RO) have also been considered for transfer on CVC Guidelines.
3. As per clause 3.6, in cases of tenure completion transfer, Continuous stay at a station irrespective of the post/ office within the same station has been taken into consideration for the purpose of counting prescribed maximum tenure.
4. As per clause 7.5, Officials posted at a station/office for a longer period has been considered for transfer-out first from that station.
5. In case the number of online applications for a particular station is more than the number of vacancy available or requirement, preference has been given to those officials who have served shorter tenure at their present station in comparison to other officials who opted for that station. Also preference for choice station/office has been given first to LDC then UDC and Assistant, subject to **administrative feasibility**.
6. As per clause 7.7, officials who are due for retirement on superannuation within next two years have not been considered for transfer.
7. As per clause 7.2, Transfer requests of officials who have completed minimum tenure at a particular station/office have been considered subject to administrative feasibility and availability of vacancies.

8. Officials, who could not be recommended for posting at one of their preferred options, have been recommended for posting as per administrative requirements.
9. As per clause 5.4, Officials who have completed maximum tenure and who failed to give any option, are posted as per administrative requirement.
10. Transfer requests of officials, who have not completed minimum tenure at a particular station/office have not been considered except in case of administrative exigency.
11. The requests made on spouse grounds have been considered, if administratively feasible.
12. As per clause 13, transfer has been recommended from one Accounting Unit to another Accounting Unit and from one office to other office within the jurisdiction of Regional Office.
13. Further, the committee recommends all accounting units to ensure rotation of staff from sensitive posts in accordance with CVC guidelines
14. Since the policy for mandatory change of office of employees serving for more than 5 years in an office is implemented for the first time, an extraordinary situation has arisen in Regional Office, Ahmedabad where around 55 Assistants and 14 UDC's are due for transfer-out from RO, Ahmedabad. Since an equivalent number of employees from other offices within the jurisdiction of RO, Ahmedabad are not due for transfer-in in RO Ahmedabad, hence to maintain an optimal balance of staff and avoid significant staff shortage impacting operational efficiency, some of the employees having the shortest period of stay falling in the mandatory category of more than 5 years have been retained in their current location. The transfer committee has assessed transfer requests on a case-by-case basis and made certain exceptions based on administrative exigencies and functional requirements. Ultimately the goal of any transfer policy is to improve Service Delivery and maintaining adequate staffing levels to ensure consistent service quality.

Based on the principles and criteria outlined above, the committee proposes the transfer/postings of the officials in the list attached. The transferred officials may be provided final place of posting by the respective Accounting Units as per procedure defined by the Transfer Policy
